Members are required to have commercial insurance that we are in the process of contracting to be "in-network".

- No copays or deductible.
- Annual well woman visits
- Unlimited office visits.
- Unlimited telehealth consultations.

End period:

This special membership will end when RHM Gynecology is in-network with your health insurance or your health insurance rejected our application (e.g. the market is closed for our specialty).

If we are now "in-network" with your insurance, and you intend to use your "in-network" benefits, you will have the option of discontinuing this special membership or converting it to RHM Telehealth, continuing with your current \$49.00 monthly membership fee.

If we are now not "in-network" with your insurance, you will have the option to upgrade to RHM Direct (for a monthly membership fee of \$99.00) or go fully self-pay / a la carte for our services.

I have read, and understand, and agree to adhere to the policies above.
